Blaze Signs is a multi-disciplined company established to cater the growing and multifaceted needs in Signs & Graphics Industry. Our major strength resides in quality, efficiency and integrated responsiveness amongst it's services.

We are bringing our 15 Years of previous experience from Middle East into the North American market & strive to serve our Canadian community with the same vigour and excellence.

Products & Services:

- Advertising & Production – Commercial Signage
- Digital Print Graphics
- Signage Maintenance & Cleaning

Vigorous, efficient and quality oriented, the company was founded on a philosophy based on the Formula of Precision + Determination = Excellence. Delivering projects on time and within budget is the cornerstone on which we are building our corporate identity.

Blaze Signs diverse know-how enables it to handle projects of various types, sizes and complexity. From the very beginning we adopted a unique approach towards our clients, catering to their specific needs and delivering beyond expectations. Behind the name of Blaze Signs, stands an experienced and professional team that works together to deliver and maintain the highest standards of services we provide.

We strive to deliver the highest standards of services catering to our client's ideas & collaborating in the development of the right scope of work. We develop a unique approach towards each client and each project is a never ending responsibility for us. Our commitment as well as the commitment of our partners and clients, has contributed to the impressive accomplishments of the company. In a relatively short span of time, we completed a great number of projects and we continue to work on upcoming projects that vary in complexity, size and value. We commit all we have to every project we work on, It is all about our clients.

VISION

We strive to become one of the leading and most reliable sign & graphics companies in North America. Continuously conforming to our ever-growing professional and ethical demeanor as well as quality assurance standards to earn the privilege of being your company of choice.

MISSION

Our mission is to provide our clients with quality products and excellent customer service which includes abiding by our word & follow through on our promises and commitment.

We believe that exceeding our client's and customer's expectations at every given opportunity is the only path to our mutual success and long lasting business relations.

CORE VALUES

Service

We understand, determine and deliver highest standards of services.

Trust

We build trust authentically by delivering quality.

Relationship

We believe in maintaining a long-term relationship.

Integrity

We are committed to keep our word and honouring our commitment.

Value

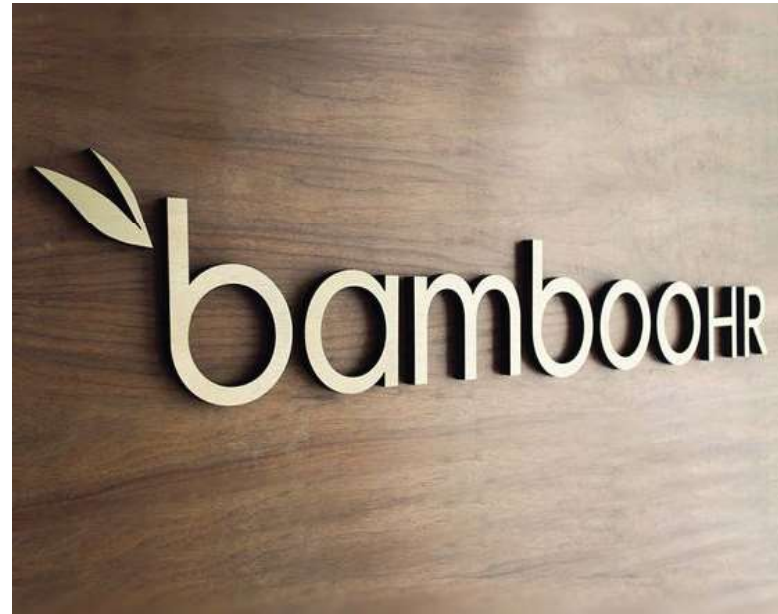

We create value in our work through innovative thinking and ideas.

Excellence

We passionately pursue the highest standards and strive to always excel.
